

BIRD IDENTIFICATION PRACTICE

September 2010

- ▣ www.allaboutbirds.org
- ▣ Under the “Bird Guide” tab, click on “browse by name and shape”
- ▣ Use size and shape to help you identify the following birds.

- ▣ Number a blank piece of paper 1-15.
- ▣ Write down the name of each bird next to the corresponding number.
- ▣ Good luck!
